

I Don't Need... I'm an Adult!

- I don't need momma to take care of me anymore. *I'm an adult.*
- I don't need any political despot unveiling a diabolical agenda to diminish the right to life, liberty and the pursuit of happiness for me or my family. *I'm an adult.*
- I don't need big brother looking over my shoulder to see if I've broken a politically contrived mandate. If I break a constitutionally aligned, legislated law, then lock me up. Otherwise, get out of my face and quit meddling in my life. *I'm an adult!*
- I don't need an elected official deciding if my job or livelihood is essential, *I'm an adult.*
- I don't need any civil servant pompously, pontificating, public policy over my life, packaged in political propaganda, purpose and pageantry, I can see through your façade, after all, *I'm an adult!*
- I don't need a self-appointed guardian to keep me safe from myself, *I'm an adult.*
- I don't need a political puppet dictating when I can leave my home, where I can go, or how long to stay confined in isolation, *I'm an adult.*
- I don't need a government agency requiring me to wash my hands or wear a mask, *I'm an adult.*
- I don't need the local socialist regime encouraging my neighbor to spy on me, *I'm an adult!*
- I don't need local authorities threatening to arrest me for not maintaining a prescribed social distance or for taking a walk in the park or playing ball with a child in an otherwise empty ballfield, *I'm an adult.*
- I don't need the media relentlessly promoting fear-based propaganda, *I'm an adult!*
- I don't need a celebrity expert accusing me of being selfish for taking care of my family, *I'm an adult.*
- I don't need a socialist scheme shutting down business establishments or churches under the auspice of my personal health and welfare, *I'm an adult!*
- I don't need an atheistic dictator telling me how, when and where I can practice my faith or if I can go to church to worship my Creator, *I'm an adult!*
- I don't need elected bureaucrats deciding what is or isn't in my personal, self-interest - *I'm an adult!*
- I don't need healthcare pirates deciding what medical care is essential for my personal health and welfare, *I'm an adult!*
- I don't need a heartless heathen to condemn my terminally-ill family member to an isolated death in a locked-down facility. I'll be the one to choose between my loved one dying alone and the risk to my personal well-being. I'll decide to take appropriate precautions because *I'm an adult.*
- I don't need a merciless decree limiting the mourners at a graveside farewell for a loved one to groups of 10 people or less, after all it's an outside graveside service and *I'm an adult!*
- I don't need an elected, tyrant taking away my constitutional rights and civil liberties under the guise of knowing what's best for humanity, *I'm an adult.*
- I can think for myself, look after myself, take care of myself, make the best decision for myself, and be responsible for myself, after all, *I'm an adult.*
- I don't need a modern day Snidely Whiplash, demanding world vaccinations and the physical implanting of an apocalyptic tracking device under my skin using the premise of world health concerns - *I am an adult.*
- I'm a responsible, healthy, educated, considerate, financially stable, tax paying, law abiding citizen. Don't forget it! You're not my momma, so stop acting like you are! Besides, *I'm an adult!*
- Abraham Lincoln declared a "Government of the *people*, by the *people*, for the *people*, shall not perish from the earth." It's time for *the people* to hold elected officials and government agencies accountable. It's not momma's responsibility to look after us. It's not the government's role to pick up where momma left off! *This is the land of the free and the home of the brave! Let Freedom Ring!*
